So if you wanna' kill me now, feel free
'Cause they will put me in the ground with possibilities
But if you're gonna' take me out
Would you do it quick
So right before they shut the lid they'll only speak of
what I might have been?
Might have been

I don't belong here
So I'm sorry I keep acting like I do
If it ain't my time
Would you keep reminding me that I belong to you?
I belong to you

And if this house is not a home
Then what is?
And if you're always on the road
You take what you can get
And this'll take a toll on my wallet and my soul
By I keep rolling only 'cause
I figure, well, why not?

I don't belong here
So I'm sorry I keep acting like I do
If it ain't my time
Would you keep reminding me that I belong to you?

And I would really die a failure
If my babies cry 'cause they were never told how
beautiful they are
So daddy, take me home
Come on, take me home
Come on, take me home

I don't belong here
So I'm sorry I keep acting like I do
If it ain't my time
Just keep reminding me that I belong to you
Belong to you
Belong to you
I belong to you
Said I belong to you

I belong to you
