Levi: She said give me a ring.

Girl: At least give me a call. Give me a reason to believe you after all.

Levi: Give me some time. Arenâ€™t you gonna sing another verse? Cuz Iâ€™m only interested in you if you say it first.

Girl: No No. Mystery ainâ€™t what itâ€™s cracked up to be. Oh mystery, it ainâ€™t what I need. Ooo

Levi: Give me some space. Oh I like what Iâ€™ve heard. I want someone to brag about, but I wanna mean every word.

Girl: Oh donâ€™t make a fool out of me. All I know, if you are everything you seem, will you let it show? Oh would it show me.

Levi: Mystery just ainâ€™t what itâ€™s cracked up to be. And mystery ainâ€™t what I need. No.

Together: Love me for me. Love me for me. Love me for me and not for what you need.

Girl: Give me a ring. Or just give me a call when you call me. Give me a reason to believe in you after all.

Levi: Well then give me something to look forward to. Give me a reason to give anything to you.

Together: And mystery ainâ€™t what itâ€™s cracked up to be. Girl, mystery just ainâ€™t what I need.

Levi: Cuz I want the glory not the bruises. Nobody gambles. Nobody loses. And thatâ€™s just fine with me because I hate taking chances. So come on, come on

Together: Love me for me. Love me for me. Love me for me and not for what youâ€™Need me for me. Love me for me. Want me not for what you think you need.

Levi: Iâ€™m not boring. Love me for me cuz what you get is what you see.

Girl: Love me for me. Love me for me. Love me for me and not for what you need.
