Is it my imagination or is it my iron pride  
I wonder if it matters much if time is on my side  
I'd rather press on, I don't wanna rest easy  
Anywhere I stray, I will make it a brand new day  
Anyway, that's all I've got to say

I'd rather be by the seaside, than be playin' a one night  
stand  
I've been too wrapped up in my own dreams, I will  
change things if I can  
I gotta press on, don't wanna rest easy  
Wouldn't it feel fine to return to the women and the  
wine  
And all of the sunshine that we knew

You will never know what blue is until you have played  
the game  
Till you live life in solitaire where no one knows your  
name  
I'd rather press on, I don't want to rest easy  
Have it anyway you will, I will be with you right up until  
The spell is broken and all is well

If you'd rather be by the seashore, well I sure can  
understand  
Are you too wrapped up in your own scene, I would  
change things if I can  
I'd rather press on, don't wanna rest easy  
Wouldn't it feel fine, but remembering the rhythm and  
the rhymes  
And all of the good times makes me blue

Wouldn't it feel fine to return to the women and the  
wine  
And all of the sunshine that we knew
