Pretty faces everywhere
A few hard cases stop and stare
They've got charm that is not right
Pretty faces late at night Morning Glory what's the story
Will it ever end
I've been all the way to Biscayne Bay
And all the way back again
All the way back again

I remember our old rendezvous
The key was kept inside a shoe
Those moments will remain frozen in time
Morning Glory's on my mind
What's the story Morning Glory
Will it ever end
I've been all the way to Biscayne Bay
And all the way back again
All the way back again

It seems like only yesterday
She married me and carried me away
I found out what life was all about
Morning Glory threw me out
Hey Morning Glory what's the story
Will it ever end
I've been all the way to Biscayne Bay
And all the way back again
Alimony, Palimony
Puts a dent in me
I've been all the way to Biscayne Bay
For a dip in the shining sea
A dip in the shining sea

Pretty faces everywhere
A few hard cases stop and stare
Even when I know it ain't my day
A lot of good faces anyway
Morning Glory what's the story
What is it to be
I've been all the way to Biscayne Bay
For a dip in the shining sea

A dip in the shining sea

What's the story Morning Glory

Will it ever end

I've been all the way to Biscayne Bay

And all the way back again

All the way back again

Hey Morning Glory what's the story

Will it ever end

I've been all the way to Biscayne Bay

And all the way back again All the way back again
