When I woke this mornin', something inside of me told  
me this would be  
my day  
I heard the morning train, I felt the wind change, too  
many times I'm on  
my way

Come on sunshine, what can you show me  
Where can you take me to make me understand  
The wind can shake me, brothers forsake me  
The rain can touch me, but can I touch the rain

And then I saw the sunrise above the cotton sky like a  
candycane delight  
I saw the milkman, I saw the business man, I saw the  
only road in sight  
Then I got to thinkin' what makes you want to go, to  
know the wherefore  
and the why  
So many times now, oh Lord I can't remember if it's  
September or July

Then all at once it came to me, I saw the wherefore,  
and you can see it  
if you try  
It's in the sun above, it's in the one you love, you'll  
never know the  
reason why

Come on sunshine, what can you show me  
Where can you take me to make me understand  
The wind can shake me, brothers forsake me  
The rain can touch me, but can I touch the rain  
So much to lose, so much to gain
