I'm just down the block  
What is it you want?  
Guess it's just my luck  
Now I'm having fun

You want me to come  
You want me to come  
I'm back to square one

Night's unraveling  
You're not having it  
Everything's been done

Each thing that I have  
Said or do has been  
Taken by someone

I think I've lost the plot  
Not drunk enough to talk  
Need you to fix me up  
I'm lost  
Oh, oh, oh, oh

Racing down the block  
I know what you want  
Guess it's just my luck  
Now I'm having fun  
I'm back to square one

Night's unraveling  
You're not having it  
Everything's been done

Each thing that I have  
Said or do has been  
Taken by someone

I think I've lost the plot  
Not drunk enough to talk  
Need you to fix me up  
I'm lost  
Oh, oh, oh, oh

I'm just down the block  
What is it you want?  
Guess it's just my luck  
Now I'm having fun  
I'm back to square one
