verse 1:I'm a radar, sendin message to competitors
Eliminating, another predator,if she want than ima let
her
From the face, of the earth
Not the first to feel the wrath, of my curse
Competing, just like david and goliath
My rhyme's a slingshot, and yes they triumph
Over the weak, minds, who claim they giants
I'm more defiant, while you're so relyin
On, your weak rhymin with connectors
But i'm lil ced, the rhymin inspector
Delta force, number one, omega supreme soundwave
Bringing your dreams to reality makin them crazed.
And by the formality of thoughts
Yes, atomic of coss
You steppin to me, homie you takin a loss
Radical, the replication of a quasar
A pulsar, immense to suplicater
Crush a germ, then further eradicate
Destroy, which means to eliminate
Wipeout, remove, erase, and annhilate
Suckers, crews to soloists
You need a barricade, my rhyme's a hand grenade
Blowing up your brain, techniques astonishing
Just like endust, my rhymes are polishing
Rappers, cause to me you're like furniture
Dusty old and gray, and i'm a cleanse your soul
Rap to take control
I'm lil ced, and i'm on a roll cause im a ultramagnetic
delta!

Chorus(*2):cause im a ultra-ultra-u-u-ultra-ultra-
magnetic-n-nectic-n-n-n-nectic-n-delta!!!

verse 2:Back to take control as i begin
To rip this mic apart, from end to end
Combine the rhyme that's mines to make em blend
Produce a beat that's dope
I hope you smoke the dope i wrote i quote
I made your brain choke - you need an antidote
Of, rhymes, just like funky potions
It killed your membranes, so now you're hopin

That you can become, another intellect
But you're a dummy, your rhymes can't connect
Metaphors, cause your style is very basic
You leave traces, you have no aces
Jacks, kings or queens, or even deuces
I'm like spades, you can't renege this
Ultramagnetic style of rhythm
Brain combustion, is what i give em
To make them shake and hesitate and make mistakes
To stay awake cause the gee stands for great
Man, reachin my apex
The more i climb, some rappers hate that
Twist and change the way i rearrange their brains
Cause i'm ultramagnetic delta!

Chorus(*2):cause im a ultra-ultra-u-u-ultra-ultra-
magnetic-n-nectic-n-n-n-nectic-n-delta!!!

verse 3:They use the simple back and forth, the same,
old rhythm
That a baby can pick up, and join, right with them
But their rhymes are pathetic, they think they copacetic
Youse a nerds that returns, at least, not poetic
On a educated base, intelligent wise
As the record just turn, you learn, plus burn
By the flame of the lyrics which cooks the human brain
Providing overheating knowledge, by means causing
pain
Make a migraine, hated yourself, start to melt
While the technics spin, the wax is on the belt
Motivating clockwise the more you realize
Moe love's moving steady, by most, with everready
Like a battery, charged, i'm worth the alkaline
Yes the mystery to solve, so seek and define
These words i've given, extremely now driven
With a datsun, a maxima to glide
Yes the wizard kool keith and i'm sportin my ride
Cause im ultramagnetic delta!

Chorus(repeatedly):cause im a ultra-ultra-u-u-ultra-ultra-
magnetic-n-nectic-n-n-n-nectic-n-delta!!!
