[Big V - talking]

We love our fans

Special feelin man, when you can talk to your fans

We answer all our myspace

Through my travels, 8ball told me

He say V pay your dues, and in due time they'll pay you

[Background Chorus]

It's all for you

Chops on the track

Hello, glad you took time to write

Still playin Wooden Leather, that's alright

Nah nuh-uh we not broke up

Left Atlantic records, we woke up

Yeah yeah Skinny's doin fine

Florida is special, always have a good time

Call me, if you want that verse

We got a show in Chi-town next month on the first

Ya hur

[Talking]

Lord thank you for this music, it's all I got

[Chorus x2]

Cause it's all for you

[Cont Big V talking]

Of course we love Atlanta, you know we love the A

It's alright, it's alright man Kentucky, Tennessee, taste
this beat

I'm typin this in for you

[Skinny Deville]

Ya, spit like it ain't no thing

You held me down from day one

It's the same old slang

8th grade rockin shell toes(?) and fake gold chains

Freestylin on the playground, the game don't change

Just the playas, who made it through the same long
days

On the grind I'm tryin to get mine in my own way

Cash before fame, if I maintain
Through all the good times i had
Fans I gotta say thanks
Ya

[B. Stille]
[Talking]
Uh huh, I really need you

[Chorus x2]

Shoutout to Nikki from Jersey by the way, she thinks I'm
the sexy man alive too, imagine that

So many people happy now that we back
Nappys on the track and we lovin this feedback
Stille your verse was cold like Kobe on game night
I appreciate that love, thanks for spelling my name
right
Sometimes I'm unsure and insecure, then the sight of
your face
Helps me endure
That's why we go hard when we out on tour
Be sure to buy the cd when it's out in stores
Cause what I'm sayin is
uh uh

[Fish Scales]
Dear fans out in cope cod
Big sky Montana, to Atlanta out on boulevard
The hurricane just missed us
We in Baton Rouge now with kids takin pictures
Last night we did Cheyenne
It was cold, didn't see Yellowstone is was closed
Well the albums coming soon, matter fact June
Hit my page, give me your thoughts on the tunes
and remember

World Champions

[Chorus x2]

[Skinny Deville]
Look, straight from my heart to yours
One love to each and all
Support good music, this movement gonna reach you
all
Cause nappy'll come runnin when the peoples call
Keep it real, keep it raw, cause we need you all
I need that love, keep my above all the hatred
Give me the strength to make it

This bond is sacred
Incase you ain't know how much we appreiate it
To each and every one of yall, this is dedicated
