catch the birdy spit but never rock the show
block..self to death but never really blow
such a shame 'cause they never really know what they
..to make a..
they travel the globe

Hook:

so we gotta git it, we gotta we gotta git it on
we gotta git it, we gotta we gotta git it on
we gotta git it, we gotta we gotta git it on
we gotta git it, we gotta we gotta git it on
we gotta git it, we gotta we gotta git it on

sick with it, so sick with it need a position
country microphone my porto to mention
some intuition go to globe city
is a little up ..only one to my mind..the Mc's behind
catch a ..use a underground..my passenger is a bad
bitch she never..

[Hook:]

while pass eyes on the block the vision is on the block
..we makin it block
