109 Jamaica Highway
I'm coming home
Oh, tell me which way to go

Looking for a star
That's coming from afar
Heaven never promised me
Somehow never meant to be

It was only my imagination
They told me I was on my way
And now I found my destination
I really should be home to 109 Jamaica Highway

109 Jamaica Highway, I'm coming home
Oh, tell me which way to go
109 Jamaica Highway, I'm so alone
Oh mama, I'm coming home
Oh mama, I'm coming home

A thousand miles to go
So I'll keep running down that road
You know I've been away too long
Now I know what's right from wrong

And it's not just exaggeration
I never thought I'd miss you so
And now I found my destination
I'm really coming home to 109 Jamaica Highway

109 Jamaica Highway, I'm coming home
Oh, tell me which way to go
109 Jamaica Highway, I'm so alone
Oh mama, I'm coming home
Oh mama, I'm coming home

109 Jamaica Highway, I'm coming home
Oh, tell me which way to go
109 Jamaica Highway, I'm so alone
Oh mama, I'm coming home
Oh mama, I'm coming home

109 Jamaica Highway, I'm coming home
Oh, tell me which way to go
109 Jamaica Highway, I'm so alone
Oh mama, I'm coming home
Hey mama, I'm coming home
