Everybody's looking back  
To all the better times they've had  
'Cause yesterday grows sweet with memories  
And I keep looking forward to the future  
Fresh and young  
Imagining tomorrow I'll be free

And life is like a spiral stair  
The levels changed  
But the lines always there

'Cause it all comes back to love  
Yeah, it all comes back to love  
Oh, it all comes back to love  
Yeah, it all comes back to love

Everybody's looking back  
To all the better times they've known  
'Cause memories grow sweet with yesterday  
And you can laugh at all the things  
That you once cried about  
'Cause life is kinda funny that way

And like a sea upon a rock  
It turns to sand  
But the tides will never stop, oh

'Cause it all comes back to love  
Yeah, it all comes back to love  
Oh, it all comes back to love  
Yeah, it all comes back to love

No matter how much you know  
No matter how far you go  
If you're here and if you're there  
No matter how much you care

'Cause it all comes back to love  
Yeah, it all comes back to love  
Yeah, it all comes back to love  
Yeah, it all comes back to love  
Yeah, it all comes back to love

Yeah, it all comes back to love  
Yeah, it all comes back to love  
Yeah, it all comes back to lo-o-ove
