Come back and finish what you started
Oh oh, don't leave me hanging on
Hanging on, hanging on
Come back and finish what you started
No no no no, don't leave me hanging on
Hanging on, hanging on

You plant the seeds of love in my heart
When all the tender words are sow at the start
(A love that's something that shouldn't begin)
But you're not gonna see it through to the end

Come back and finish what you started
Yea-eah, don't leave me hanging on
Hanging on, hanging on
Come back and finish what you started
Oh oh, don't leave me hanging on
Hanging on, hanging on

A taste of honey is a dangerous thing
When love is gone, it never replace
(Just like a promise I have to repeat)
But you left it undone and incomplete

Come back and finish what you started
Ah oh, don't leave me hanging on
Hanging on, hanging on

Oh oh yeah, yeah
Ooh ooh ooh ooh
Ooh ooh ooh ooh

Come on baby, come back
A taste of honey can't control me
Come on baby, come back
I need your loving arms to hold me
Come on baby, come back
Bring back the promise that you made me
Come on baby, come back
Come back and save me

Come back and finish what you started
Don't leave me hanging on
Hanging on, hanging on
Come back and finish what you started
Don't leave me hanging on
Hanging on, hanging on
[Repeat to fade]
