Did you expect it?  
Do you think that it could ever happen?  
We gotta protect it, this time it's for real  
Think about it  
Don't you think we owe ourselves another chance?  
Now that we found it, what are we gonna do?

This is it, I know that it's more than just a dream  
Two of us in love that's the way it's got to be

Don't let it go [don't let it go, don't let it go]  
Don't let this feeling slip away [don't let it slip away, slip  
away]  
Don't let it go [don't let it go, don't let it go]  
In love that's where I'm gonna stay

You're the reason [you're the reason]  
I wanna make some sense of it all  
Into the teasing [into the teasing]  
Don't wanna play the game  
No more waiting [no more waiting]  
For some you want to come along, no  
Anticipating [anticipating]  
It's gonna stay the same

Mm, this it it  
I know that it's more than just a dream  
Two of us in love that's the way it's got to be

Don't let it go [don't let it go, don't let it go]  
Don't let this feeling slip away [don't let it slip away, slip  
away]  
Don't let it go [don't let it go, don't let it go]  
In love that's where I'm gonna stay

[Don't let it go]

Ahh, this is it  
I know that it's more than just a dream  
Two of us in love that's the way it's got to be

Don't let it go [don't let it go, don't let it go]  
Don't let this feeling slip away [don't let it slip away, slip  
away]  
Don't let it go [don't let it go], don't let it go  
In love that's where I'm gonna stay  
Don't let it go [don't let it go], don't let it go  
Don't let this feeling slip away  
Don't let it go-o-o, don't let it go-o-o  
Don't let it go, no [don't let it go]  
Don't let this feeling slip away...
