You don't have to say what you want
It's in your eyes
And you won't be satisfied
Till you get it

'Cause there is so much more to me
Maybe you can't see
But my heart can be yours
If you let it

Because no one lasts nothing
More than I do
And no one lasts nothing more than I
But I got to get to know you better, oh, oh yeah
I got to find out whether
Or not you're good for me
If you'll be good for me

I'm a dreamer of dreams
That may never come true
But I want more out of life
Than just one night with you

Yes, I'm a dreamer of dreams
That may never come true
But I want more out of my life
Than just one night with you, ooh, ooh, ooh

Whoa, oh
I understand your plans, oh yeah
Do you understand mine?
All dreams are not done in vain
We can dream anywhere, anytime

Because no one lasts nothing
More than I do
And no one lasts nothing more than I
But I got to get to know you better, oh yeah
I got to find out whether
Or not you're good for me
If you'll be good for me

Ooh, I'm a dreamer of dreams
That may never come true
But I want more out of life
Than just one night with you

I'm a dreamer of dreams
That may never come true
But I want more (more) out of life
Than just one night with you

Yes, I'm a dreamer of dreams
That may never come true
But I want more (more) out of my life
Than just one night with you
I'm a dreamer of dreams
That may never come true
