(Linda Lewis)

I can't get enough  
of your kind of stuff  
on more undercover love  
thief in the night  
come on, take a bite  
'cause you fit me like a glove

I'll go out of my way just to get you to stay  
'cause I like how you sway  
and love in a sweet pain and pleasure  
you are made to measure

I can't get enough of your love, huh huh  
I can't get enough of your love, uh huh huh  
I can't get enough of your love  
enough of your love, oooh oooh oooh

I can't seem to breathe  
when you get close to me  
on more undercover love  
one more time  
come and see me through the night  
'cause you fit me like a glove

the secrets are keeping  
you must go, I'm waiting  
I want you completely  
but know that one day you betray me  
your lady

I can't get enough of your love  
I can't get enough  
I can't get enough of your love, ah hah  
I can't get enough of your love  
enough of your love

I'll go out of my way just to get you to stay  
'cause I like how you sway  
and love in a sweet pain and pleasure

you are made to measure

I can't get enough of your love  
I can't get enough  
I can't get enough of your love, ah hah  
I can't get enough of your love  
enough of your love

(I can't get enough, can't get enough)  
I can't get  
(I can't get enough, can't get enough)  
I can't get  
(I can't get enough of your love)  
enough of your love, ah yeah  
woh oh yeah, yeah, yeah  
oh oh oh oh oh  
I can't get enough
