Here's my love, all my love
All my love, all my love
And if you're kind, boy
I'm gonna give you all the loving and joy
I'm gonna give you all the loving and joy
I'm gonna give you all my love

Tenderly, tenderly, tenderly, tenderly
And we can prove it
Keep it in fit, and baby, we can prove it
Keep it in fit, and baby, we can prove it
Then we can make ourselves at home

Mmm, love begins when everything looks good
When you're together
But it has a trick, oh yeah,
It changes like the weather
It may not last forever and know that you feel it

All my love, all my love, all my love, all my love
And if you're kind, boy
I'm gonna give you all the loving and joy
I'm gonna give you all the loving and joy
I'm gonna give you all my love

Mmm, love begins when everything looks good
When we're together
But it has a trick, oh yeah
It changes like the weather
It may not last forever and know that you feel it

Here's my plea, listen please
Take my hand and comfort me
And if you're kind, boy
I'm gonna give you all the loving and joy
I'm gonna give you all the loving and joy
I'm gonna give you all my love

All, all my love, all my love, all my love
And if you're kind, boy
I'm gonna give you all the loving and joy

I'm gonna give you, give you, give you all my love

Oh, oh, oh-oh-oh-oh

Oh-oh-oh, Ohhhhhh, oh

And if you're kind, boy

I'm gonna give you all the loving and joy

I'm gonna give you all the loving and joy

I'm gonna give you all my love

Whooh!
