It's the frame of mine that you're in  
It's the frame, it's the frame, it's the frame

Oh Lord, I don't know you very well  
Though I think you have touched me once or twice  
But I know, I know you got a lot of grace, and love and  
light  
Do you think you could spare some on my life?

It's the frame that you're in  
It's the frame, it's the frame, it's the frame  
It said you may grumble, it said you may groan  
You may cry 'till cows come home

Sometimes I find myself playing the games  
Then I get ashamed, so I wear a frown  
Then I find myself bringing another man down

It's the frame that you're in  
It's the frame, it's the frame, it's the frame  
It said you may grumble, it said you may groan  
You may cry 'till cows come home  
Oh Lord

Now Lord, well you don't wanna be the only one in  
heaven, do ya?  
Wouldnt you like me and my friends and my family for  
company?  
So good to send some of your grace, and love and  
light  
And while you're there, could you spare us some cherry  
tea?

It's the frame, it's the frame that you in  
It's the frame, it's the frame, it's the frame  
It said you may grumble, said you may groan  
You may cry 'till cows come home

Oh Lord, Lord, Lord have mercy on me  
I said Lord, Lord, Lord, Lord have mercy on me

And the Lord said, "it's the frame, it's the frame that  
you're in  
It's the frame, it's the frame, it's the frame  
It sad you may grumble, said you may groan  
You may cry 'till cows come home"
