Shining
Shining like a star, shining
Mm-hmm
Shining
Shining like a star, shining
Mm-hmm

You make me shine like a star in the heavens
I feel there's nothing I can do
I bloom like a rose at the sound of your voice
I can never, ever get enough of you

Shining, woo...
Shining like a star, shining
Hey-ey
Shining, shining
Shining like a star, shining

You make me shine like a star in the sky
When the symphony of love all around
I was light as a cloud when I taste your lips
You sent through me a charm without a sound

You're a genie in the bottle in my arms
I feel anything I wish for it come true
But if I had only one wish in the world,
I wish that I could always be with you

It's magic
Oh-oh-ohh, it's magic
It's magic
Oh-oh-ohh, it's love---

You made me do things I've never done before
You gave me new things I've never knew before
Oh no, no, no

It's magic
Oh-oh-ohh, it's magic, yeah-eah
It's magic, magic
Oh-oh-ohh, it's love, lo-o-ove
It's magic, magic

Oh-oh-ohh, it's magic, magic
It's magic, yeah, yeah
Oh-oh-ohh, it's love---
Lo-ove---

Shining
Shining like a star, shining
Shining
Shining like a star, shining
Shining
Shine, shine, shine, shining
Shine, shine, shine

It's magic
Oh-oh-ohh, it's magic, yeah, yeah, yeah, yeah
It's magic
Oh-oh-ohh, it's love, lo-ove-ove
It's magic, magic
Oh-oh-ohh, it's magic, yeah, yeah, yeah
It's magic, magic
Oh-oh-ohh, it's love, love
It's magic, magic....
