hold me tight  
though I would plead to be let go  
you know my heart says yes  
my head is saying no

sweet ache, heartache, pleasure and the pain  
open up my eyes to ecstasy in your arms again  
my lover, there's no other heaven and hell  
I'm a woman when you're near  
when you're gone, I'm just a little girl

hold me tight  
though I would plead to be let go  
you know my heart says yes  
my head is saying no

[chorus:]  
sweet heartache  
sweet heart, heartache  
sweet heartache  
sweet heartache

oh darling, we're so far in love  
now you and I  
since each day we spend together  
tomorrow we may kiss goodbye  
sweet ache, heartache, pleasure and the pain  
open up my eyes to ecstasy in my arms again

and if the sea have cried  
the tears of happiness  
you know my mind says no  
my heart is saying yes

[chorus x2]

and hold me tight  
though I would plead to be let go  
[let me go, let me go]  
you know my heart says yes  
my head is saying no

[chorus]
