Remember the days of the old schoolyard
We used to laugh a lot, don't you
Remember the days of the old schoolyard

Oh, when we had imaginings and we had
All kinds of things and we laughed
And needed love... yes, I do
Ooh, and I will always love you

Remember the days of the old schoolyard
We used to laugh a lot, don't you
Remember the days of the old schoolyard

Oh, when we had simplicity and we had
Warm toast for tea and we laughed
And needed love... yes, I do
Ooh, and I will always love you

Remember the days of the old schoolyard
We used to cry a lot, don't you
Remember the days of the old schoolyard
Oohh ooh oh ooh yeaahhh

Where we always play
Kids doing the sweet, sweet way
Nobody, nobody but us
Playing the dirt, doctor and nurse
Nobody, nobody could see
We learn to be free, to learn about love
All about love

You were my first sweet love
My love, love, lovely dove
Inside my childlike dreams
Like King and I'll be a Queen
Though time may fade
It's never too late to learn about love

Remember the days of the old schoolyard
We used to laugh a lot (remember)

Don't you remember the days of the old schoolyard
When we had imaginings
Remember the days of the old schoolyard
We used to laugh a lot (oh remember)
Don't you remember the days of the old schoolyard
And we had all kinds of things

Remember the days of the old schoolyard
We used to cry a lot (oh remember)
Don't you remember the days of the old schoolyard
When we had simplicity
Remember the days of the old schoolyard
We used to laugh a lot (oh remember)
Don't you remember the days of the old schoolyard
And we had warm toast for tea

Remember the days of the old schoolyard
We used to cry a lot (oh remember)
Don't you remember the days of the old schoolyard
