Mommy, I love to be near you
But yet so far away
Well, I put aside my mama blues
When your beach cot came today
Hand signed it with love
Especially for me, yeah

I try to keep my balance
On these stepping stones of life
A little bit of everything, not too much
A fair share every time
But when I see your sail
Out land a moment away

Cause I like too much he teases
And I like too much he sights
And you know too much he pleases me
Cause I like too much to your eye
Yes, I do
Hey-

Oh waterbaby, baby
Won't you tell me where your moon is in
Well, it wouldn't really bother me, baby
If it said it was in the dusting
How my sea of tranquility
Define delightfully

Cause I like too much he teases
And I like too much he sights
And you know too much he pleases me
Cause I like too much to your eye
Yes, I do, ooh ooh ooh ooh ooh ooh ooh, ooh
Ooh ooh ooh

Keep on floating, floating
Keep on floating, floating
Keep on floating, floating
Keep on float, float, float, flo-o-oating
Keep on floating, keep on foating
Keep on, keep on, keep on, keep on floating

Keep on floating, floating

Oh waterbaby, you really turn me on

Waterbaby

Yeah, yeah, you really turn me on

Keep on floating, keep on, keep on, keep on

Keep on, keep on, keep on, keep on, keep on, keep on

Keep on, keep on, keep on, keep on, keep on

Keep floating, keep floating
