You turned my bitter into sweet, boy  
Turned my bitter into sweet

You turned my bitter into sweet, boy  
You turned my bitter into sweet  
You turned my bitter into sweet

You turned my bitter into sweet  
Ooh, ooh hey-ey  
You turned my bitter into sweet  
Wee-ee, yeah

So different, so new  
What I feel inside for you  
So strong that I wonder  
How I made it this song about you guys

When you are around me,  
I can never know the deed  
Cause you got the love power  
You turned my bitter into sweet, boy  
Turned my bitter into sweet

Bitter into sweet, boy  
My bitter into sweet  
Bitter into sweet, boy  
My bitter into sweet

Sensational, unexplainable  
Every time that you are near  
You erased my loneliness  
You charmed away my fears, yeah, yeah

When you are around me,  
Life is really, is really a treat  
'Cause you got the love power  
You turned my bitter into sweet, boy  
Turned my bitter into sweet

You turned my bitter into sweet, boy  
You turned my bitter into sweet

You turned my bitter into sweet  
Ooh, ooh, hey-ey  
You turned my bitter into sweet  
Wee-ee, yeah

When you are around me,  
I can never know the deed  
'Cause you got the love power  
You turned my bitter into sweet, boy  
Turned my bitter into sweet

[BREAKDOWN 1]

Bitter into sweet, boy  
Bitter into sweet  
Bitter into sweet, boy  
Bitter into sweet

Bitter into sweet, boy  
My bitter into sweet  
Bitter into sweet, boy  
My bitter into sweet

So different, so new  
What I feel inside for you  
So strong that I wonder  
How I made it this song about you guys

When you are around me,  
I can never know the deed  
'Cause you got the love power  
You turned my bitter into sweet, boy  
Turned my bitter into sweet

Bitter into sweet, boy  
My bitter into sweet  
Bitter into sweet, boy  
My bitter into sweet

'Cause you got the love power  
You turned my bitter into sweet, boy  
Turned my bitter into sweet

You turned my bitter into sweet, boy  
You turned my bitter into sweet  
You turned my bitter into sweet  
Ooh, ooh, hey-ey  
You turned my bitter into sweet  
Wee-ee, yeah

When you are around me,

I can never know the deed  
'Cause you got the love power  
You turned my bitter into sweet, boy  
Turned my bitter into sweet

Unexplainable  
Every time that you are near me  
You erased my loneliness  
You charmed away my fears, yeah

Since I've been trying  
I just have to, I have to repeat  
That you got the love power  
You turned my bitter into sweet, boy  
Turned my bitter into sweet  
Turned my bitter into sweet, boy  
Turned my bitter into swee-ee-ee-eet

[BREAKDOWN 2]

Bitter into sweet, boy  
Bitter into sweet  
Bitter into sweet, boy  
Bitter into sweet

Bitter into sweet, boy  
My bitter into sweet  
Bitter into sweet, boy  
My bitter into sweet

Sensational, unexplainable  
Every time that you are near  
You erased my loneliness  
You charmed away my fears, yeah, yeah

When you are around me,  
Life is really, is really a treat  
'Cause you got the love power  
You turned my bitter into sweet, boy  
Turned my bitter into sweet, boy  
Turned my bitter into sweet

Turned my bitter into sweet, boy  
Turned my bitter into sweet  
Turned my bitter into sweet, boy  
Turned my bitter into sweet

Turned into bitter into sweet, boy  
Turned my bitter into swee-ee-ee-eet
