Another endless day
Of an even longer stay,
And It may be the longest day
since I am awake.

it seems we have each other
To bring out the
Worst about ourselves
I tried to fix this but
The more I tried
The more broken it got

No Matter how many times
I have said these words to you
They never reach you,
It's harder than getting Babel
Tower straighten

you clever man
Keep digging the hole
That splits us apart
Gets harder with every move
We make
To shorten the distance

you cynical man
Keep living your dream
Behind those walls
Ignoring that we came
From the same seed
You and me

See vultures flying low
Waiting for us
To pull out our eyes

You don
