I feel like i'm the only one that doesn't wear a mask
And no matter how hard i try i'll still come in last
People always try to tell me down where i should go
Suit and tie, ball and chain
I just don't know
Those same people try to tell me what i should do,
But i'm a step ahead and they don't have a clue
They're taking their insecurities out on me
Closing themselves in and they don't even see
What can i do (bout 7 times...)
It's up to me
When i look back and i can still see myself,
I remember being alone and how pathetic i felt
They told me what to do and just fell in line
Followed all those rules
And i got left behind
What can i do (bout 7 times...)
It's up to me
