In the light there is always shadow  
In the dark there is memory of light  
Passion dies as the Old One awakens  
Lesson learnt when the children cry  
GaiaÃfÃçâ, -Ã,Ã!  
Our mother calls us to her womb  
The Kraken reaps the oceans wide  
Payment has come in the throes of panic  
Harvest souls of day and night  
GaiaÃfÃçâ, -Ã,Ã! GaiaÃfÃçâ, -Ã,Ã!

Foes of hers undermining  
Friendly wars are always bought  
Free the grip of societal stigma  
What is right is what you thought  
GaiaÃfÃçâ, -Ã,Ã!  
Grave decision laid her to rest  
YouÃfÃçâ, -Ã™ ll do it your own way  
Paid ministers of your godÃfÃçâ, -Ã™ s coven  
Never ever hear what you say  
GaiaÃfÃçâ, -Ã,Ã! GaiaÃfÃçâ, -Ã,Ã!  
GaiaÃfÃçâ, -Ã,Ã! GaiaÃfÃçâ, -Ã,Ã!
