How do you find the world?  
Better now than before  
Why would you feel this way?  
This is what youâ€™ve asked for

Nobodyâ€™s told you to be this way  
Crying silent tears inside  
Everyday you fade away  
Til the day that you must die

If I could hate myself  
I would never feel this way  
Speak out the lies you hear  
Let my ravens fly away

Said the things that should not be  
All the time with my own eyes closed  
Said the words that always ring  
Promised myself nevermore

Nevermoreâ€¦!

If I could hate myself  
I would never feel this way  
Tear out the burn inside  
Let my ravens fly away

Now do you find the world  
Better now than before?  
Now do you feel that way  
This is what youâ€™ve asked for

If I could hate myself  
I would never feel this way  
Speak out the lies you hear  
Let my ravens fly away  
If I could hate myself  
I would never feel this way  
Tear out the burn inside  
Let my ravens fly away  
My ravens fly away  
My ravens fly away
