Tide is rising high
You can end this feeling
No you can't deny
No you ain't deceiving
Bodies fall aside
Pack 'em in your suitcase
Company tonight
Following in your own ways

Why see what you can't see?
Crawling onto me
Call me when your fall awaits
Ring around the fates

Come to me undone
And tear it open
Soul beneath the rungs
Of your own prison

Now they follow me
To end this life
All the rest of them dead
With the best of them I die

Write your mortal life
Within these pages
Fate will deal the knife
And lock these cages
Wrought the curse of bane
And my existence
Call upon the Rage
Of my impotence

Why take when they are afraid
Calling when it all awaits
Careless mistakes
Ring around the fates

All across the sand
Is my own sorrow
My play is the tragedy Man
Madness, Sin and Horror

Now they follow me
To end this life
All the rest of them dead
With the best of them I die
