From the day we arrive on this planet,
And blinking, step into the sun,
There is more to see than can ever be seen,
More to do than can ever be done,

Ooohhh There is far to much to take in here,
More to find than can ever be found,
But the sun rolling high through the sapphire sky,
Keeps great and small on the endless round

In the circle of life,
And it moves us all,
Through despair and hope,
Through faith and love,
'Til we find our place,
On the path unwinding,

In the circle
The circle of life

(instrumental solo)

In the circle of life,
And it moves us all,
Through despair and hope,
Through faith and love,
'Til we find our place,
On the path unwinding,
In the circle
The circle of life
