Searching my life for something real,  
Something strong, something shy of a miracle  
Something wonderful, I can be so proud to say is mine

And you ain't got no guarantees  
The only thing that you believe is my dreams  
And that makes you such a wonderful, beautiful  
Man who understands  
You have been through thick and thin  
And that makes me want to be A Better Woman

(la la la la la, la la la la la)  
Mmmmmm, Better Woman  
(la la la la la, la)

Bound by your eyes, hypnotized  
By your soul, by your charms  
Naturally, you appeal to me  
Doesn't take a winner to believe it  
Captured by some je ne sais quoi  
Something's got a hold on me  
Must be your honesty  
So much I can't believe you're all mine  
Oh boy,

(Chorus)  
You ain't got no guarantees  
The only thing that you believe is my dreams  
And that makes you such a wonderful,  
Beautiful, man who understands  
You have been through thick and thin  
And that makes me want to be a better woman

(la la la la, la la la la)

It's not so much that you make me love  
It's not so much that you care  
It's not so much that you meet my needs  
Boy it's all about the woman you make me want to be

(Chorus)  
You ain't got no guarantees

The only thing that you believe is my dreams  
And that makes you such a wonderful,  
Beautiful, man who understands  
You have been through thick and thin  
And that makes me want to be a better woman

And that makes me want to be a better woman  
Ooooooh  
Makes me want to be a better woman  
And that makes me want to be a better  
womaaaaannnnn
