Did you think I could let go
so easy?
Well, there's something I want you to know
Believe me

I'm gonna love you forever

I heard
If you love something just set it free
And know that
If it comes back then it's meant to be
I'm still hoping

I'm gonna love you forever
I'm gonna be here for awhile
'Til I see your smiling face again
It's just a matter of when
So until then I'll be right here waiting
You're still inside of me
So remember
All of those sweet memories
We shared together

I'm gonna love you forever
I'm gonna wait here forever
I'm gonna be here for awhile

(guitar solo)
Ooohhhhhh
Ooooooh
Did you think that I could let go so easy?
Well, there's something I want you to know, believe
me....
