Da Da Da Da Da Doo Doo  
Mmmmmm

I had an inclination  
That life was changing  
I needed one last thing  
To make my life complete  
You didn't ever question  
What was really going on  
You knew that no one else's love  
Could ever be so strong

Ooooh, I never knew that I could  
Feel so absolutely sure, oh  
Ooooh, I hadn't never ever  
Thought of it

How could anything  
Like you ever be so perfect  
You're as perfect as you could be  
I can safely say  
That I'm forever grateful  
Now that I know  
You're a part of me  
(chorus)

Ooooh, I never knew that I could  
Feel so absolutely sure, oh  
Ooooh, I hadn't never ever  
Thought of it

I know I will never find  
Another love like your love, like the love  
That you've given me  
I know you will never find  
Another love like my love, like the love  
That I've given you  
We know we will never find  
Another love like yours and mine  
Ooooh, it feels so good I know it's true  
A love like ours I never knew

(chorus)

Ooooh, I never knew that I could  
Feel so absolutely sure, oh  
Ooooh, I hadn't never ever  
Thought of it
