You're sending me things each night, I'm not at home  
I'm working hard everyday  
I'm always thinking about you all the time  
I can't come out each night and play

You know I walk a very fine line, it has to be  
Me sweating, you pushing, it just can't go this way you  
see

(C) Just because I'm not on the line  
Doesn't mean I'm not the loving kind  
I'm loving you in my loving mind  
Until I'm once again holding you

Your friends are hanging in the spots that we both  
know  
They tell you to call the shots, so why go?

I'm working, I'm thinking, if this is how it's gonna be  
Me sweating, you pushing, it just can't go this way you  
see  
(Chorus)
