"Moonlight, Music & You"

That summer night I still remember, first time we met
You were the reason for that moment, I'll never forget
You were so fine, when you were mine

(C) You and I were so passionate
You and me we were marvelous
Oh, remembering the moonlight, the music, and you

We danced softly to the music, all through the night
Holding each other and caressing, doing it right
You were so fine, when you were mine

(C)

Just thinking 'bout the way we were, so unstoppable
I still remember the moonlight, music, and you
I'm never gonna forget you darling
