Boy, I know love, it don't come easy
I've played my part in that scene before
Never had a happy ending, maybe that's the reason I
don't love anymore
But then you did something to me
It happened once, it happened twice, so here I go again

(C) Call it crazy, call it love, call it the rapture
Call it whatever you may, it's the reason that I care for
you
Cause you are one in a million, there's nothing I
wouldn't do, baby
One in a million

Boy, you're the one, my mother told me
I would eventually fall for in time
And so far, you've been so right for me
You've been so good to my heart, my needs
All day long I think about you
It happened once, it happened twice, so here I go again

(Chorus)
