P. Barrere, S. Murphy  
I'm out here standin' on the corner  
guess I'll shuffle down the street  
my baby's gettin' kinda tasty  
freedom, oh it can't be beat  
wayward lawd lawd  
wayward oh no  
wayward oh no no  
I got happiness  
you know pressure seems to get me  
travelin' with my hat in my hand  
lookin' for a hand out  
hand out in no mans land  
wayward lawd lawd  
wayward oh no  
wayward oh no no  
I got happiness  
I might be down, but down don't bother me  
I'm on the green side of the lawn  
you see, I'm still kickin' yeah  
don'tcha ever get to thinkin'  
this trap of life is gettin' tough  
I raise my hands and get to walkin'  
sometimes I think I've had enough
