Paul Barrere  
Missin' You, I'm missin' you  
All those lovely things you do  
I tell ya true, it hurts the way I'm missin' you  
Nashville at sunrise  
Rains poundin' on my window  
Draws my sleepless eyes  
To witness one more dawn a break  
Winter's cold outside  
Oh I broke down and cried  
'Cause I'm missin' you, I'm missin' you  
And all those lovely things you do  
I'll tell ya true it hurts the way I'm missin' you  
'Cause I'm missin' you, I'm missin' you  
And all those lovely things you do  
I'll tell ya true it hurts the way I'm missin' you
