Holding a net my arms came tied in string
Enter a world special made for kings
Deep in my heart a simple love
Now that I'm caught the distance of

My step slide, lightning fight
Tropical times, hmm, hmm
Hmm, hmm, hmm

There was a thrill but peace came settling in
Into a world special made for them
Deep in my heart a simple love
Now that I'm caught the distance of

My step slide, lightning fight
Tropical times, hmm, hmm
My step slide, lightning fight
Tropical times, hmm, hmm
