Do you ever cry like something's gone?  
Do you ever walk these streets alone?  
Do you ever ache like I do?

I need to feel the music of your soul  
Are you out there real love?

I only wanna find you  
And be surrounded by you  
Pray for your light to shine through  
I'm waiting for you  
I'm waiting for you

Oh for you...

Did you ever wish for somebody?  
Somebody to break the mystery?  
Did you ever hope in the darkness?

I need to feel the music of your soul  
Are you out there real love?

I only wanna find you  
And be surrounded by you  
Pray for your light to shine through  
I'm waiting for you  
I'm waiting for you

I only wanna find you  
And be surrounded by you  
Pray for your light to shine through  
I'm waiting for you  
I'm waiting for you

Oh for you...

I only wanna find you

And be surrounded by you  
Pray for your light to shine through  
I'm waiting for you

I only wanna find you  
And be surrounded by you  
Pray for your light to shine through  
I'm waiting for you  
I'm waiting for you  
I'm living for you  
I'm aching for you  
I'm waiting for you

Oh for you...
