Moonlight's kissing on a violet shore
Dreaming in the color of the dress you wore
I wake up harmed and wanting more about you
(About you)

I don't wanna feel love
I don't wanna feel naked
I don't wanna feel love
Without you

When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushing

Rushing over me
Rushing over me
Rushing over me
Rushing over me

When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushing

When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the crash of your heart breaking

The figures stop moving and the subway dies
The clock stops ticking and the traffic sighs
I can't keep living these strange goodbyes
I need you
(I need you)

I don't wanna feel love
I don't wanna feel naked
I don't wanna feel love
Without you

When the dawn breaks

I can feel the heat of your sun rising
Rising up inside me
I can feel the crash of your heart breaking

When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushing

Rushing over me
Rushing over me
Rushing over me
Rushing over me

When the dawn breaks
When the dawn breaks

When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the crash of your heart breaking

When the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushing

Rushing over me
Rushing over me
Rushing over me
Rushing over me

Rushing over me
Rushing over me
Rushing over me
