When I'm done with thinking, then I'm done with you

When I'm done with crying, then I'm done with you

When I feel so tired, then I'm done with you

Everybody feels this way sometimes, everybody feels  
this way.

And I do.

Wou can hear it, but I do.

You can hear it, but I do.

You're trying to convince me that what I've done's not  
right

I get so frustrated, I stay up every night.

You ask me for an answer, and I'm so tired and I'm up  
in the air.

Everybody feels this way sometimes, everybody feels  
this way

And I do.

You can't hear it but I do

You can't hear it, but I'm feeling this way just because  
you say

I will be ignored

I will be denied

I could be erased

I could be brushed aside

I will get scared, and I will get shoved down

but I feel like I do because you push me around.

And I do

You can't hear it but I do

You don't seem angry but I do

I do
