This isn't what I like to call flattery,
but I know that I believe that I've found what's true
that I've found what's you.
Truthfully I
I'm finding finally.
Truthfully you
you helped me find at last
Truthfully we
are finding out what's true
And truthfully I am finding out what's you.
Surprise, cause I was flying the plane.
Surprise, cause now I'm smiling again.
Surprise, cause you showed up with your parachute
Surprise, I'm kind of happy you showed up.
Truthfully I
I'm finding finally.
Truthfully you
you helped me find at last
Truthfully we
are finding out what's true
And truthfully I am finding out what's you.
Truthfully, I really can't explain, I'm floating, I'm smiling
again.
Truthfully, I can't ignore you, cause I've been waiting
for you.
Truthfully, I'm not desperate, I haven't changed my
mind since we first
met.
but the last thing I want to do is tell you that I'm right
for you.
Truthfully I
I'm finding finally.
Truthfully you
you helped me find at last
Truthfully we
are finding out what's true
And truthfully I am finding out what's you.
I'm finding finally.
Truthfully, I'm finding out what's you
I'm smiling again.
Truthfully.
