Slow talkin', the line you're walkin'
Look like a viper wearin' silkin' stockings
You make 'em guess they'd be gettin' the best
Can't help but wonder if you'd pass the test

Kissin' my fingers, you touch my face
'N play your hand like you're holdin' the ace

But Baby when it comes around, are you gonna pick it
up or lay it down
You make it harder and harder to stop what you've
started

Chorus:
(Down 'n dirty)
Oh my little Rosalee, don't you think it's goin' on time
we see
If you're gonna come with me, I bet you, I get you

I've had enough of this comin' on stuff
I feel like gettin' down on somethin' tough
I do believe you're what you're tryin' to be
Now show me, honey, 'cause I'm dying to see

Take it baby, make your play, we'll make love in
different ways

I call your bluff and stand, pretty mama, hold me in
your hand
And make it harder and harder to stop what you've
started

chorus

(Instrumental break)

Kissin' my fingers, you touch my face
'N play your hand like you're holdin' the ace

Baby when it comes around, are you gonna pick it up or
lay it down

You make it harder and harder to stop what you've
started

chorus

Rosalee, don't you think it's goin' on time we see
If you're gonna come with me, I'm dirty, down 'n dirty
