Maybe it's true what they say about it
Maybe we can't make the ends meet
Maybe we'll all have to do without it
Maybe this world's just incomplete
Still we all look for truth in our lives
Searching from different sides
It's so hard living in a desperate world
But we all do the best that we can
Some people dream of change
Some will remain the same
But all of 'em live their lives
Under the gun
Some see the road as clear
Some say the end is here
They say it's a hopeless fight
But I say, I gotta try
Maybe there's too much to think about
Maybe there just ain't nothin' left to say
But if our time's really runnin' out
Then this is no time to run away
"Cause we're destined to look for truth in this life
Blinded by tearful eyes
If it's no use tryin' in a desperate world
Then tell me, why was I born?
Some people see a change
Some will remain the same
All of 'em live their life
Under the gun
Some see the road as clear
Some say the end is here
They say it's a hopeless fight
But I say, I gotta try
Lonely, living too lonely
Is it too late
To turn it all around?
Some people dream of change
Some will remain the same
But all of 'em live their lives
Under the gun
Some see the road as clear

Some say the end is here
They say it's a hopeless fight
But I say, I gotta try and change
Though others remain the same
All of us live our lives
Under the gun
Some see the road as clear
Some say the end is here
They say it's a hopeless fight
But I say, I gotta try and change
Someone's living
Someone's givin' up
Someone's tryin'
Someone's cryin' out
Still we live under the gun
