Love, where are we going,
And when do we reach the promise on the horizon,
Out on the ocean, under a sunset,
I was invited to come out and play a while
with magic and move a mountain.
Has anyone ever captured the sun,
Is the eagle ever truly tame,
Given just a little time,
I know that you'll find a way.
I would do anything for you,
Give up the world I've made me
And take you away,
I swear from now on,
The trust in my heart,
The vision of you in my life
My love,
I will be faithful,
but how can I make a promise
to a place I've never been?
Something has taken me off,
and I don't know if I will survive.
I believe that everything
I'll ever need is here by the roadside.
How can you fly,
keeping heaven in sight,
blinded by the light of day?
Given just a little time,
I know that I'll find a way
I would do anything for you,
Listen with all of my spirit,
for ecstasy calling,
You know I believe,
Cause all I have seen,
From the mountain,
The view from the heart.
I would do anything for you,
Give up the world I've made me
And take you away,
I swear from here on,
The trust in my god,
The vision of you in my life
Freedom is mine,

One beat at a time,
Where are we going,
I just don't know yet,
How will we make it,
I just can't say,
All that I know is that we've finally sailed away.
Seems everyone's made a prison of love,
But if anybody can escape,
Given just a little time,
I know that we'll find a way.
I would do anything for you,
Listen with all of my spirit,
for ecstasy calling,
You know I believe,
Cause all I have seen,
From the mountain,
The view from the heart.
I would do anything for you,
Give up the world I've made me
And take you away,
I swear from here on,
The trust in my god,
The vision of you in my life
In my arms, I'll pray
I am safe, I am loved, I am free, baby
I am safe, I am loved, I am free, baby
I am safe, I am loved, I am free, baby
I am safe, I am loved, I am free, baby
