"Playing With the Boys" - Kenny Loggins

They say it was the right time to walk away
But dreaming takes you nowhere, it's not too fair
Body's working overtime
The money don't matter
Time keeps ticking
Someone's on the line, on the line

I'm moving; it's the motion that feels so good
It's strange; I'm just a patient knock, knock, knocking
on wood
Body's working overtime
It's man against man
All that matters
Is baby, who's ahead in the game
Funny but it's always the same

Playing, playing with the boys
Staying, playing with the boys
After chasing sunsets, one of life's simple joys
Is playing with the boys

They said it was the wrong thing for me to do
I said it's just a boy's game; the girls play too
My heart is working overtime
In this kind of game
People get hurt
And thinking about the people is me
If you want to find me I'll be

Playing, playing with the boys
Staying, playing with the boys
After chasing sunsets, one of life's simple joys
(Is the boys)

I don't wanna be the moth alone in your fire
(With the boys)
I don't wanna be obsessed by my desire
(You're shining, you're smiling, I see it now)
With the boys

(I say again)
You play too rough

Playing, playing with them boys
I'll be staying, playing with the boys
After chasing sunsets, one of life's simple joys
Is playing with the boys
Playing with the boys

Playing (playing with the boys)
Playing (playing with the boys)
Get up! Get up! Playing (playing with the boys)...
