by Kenny Loggins

I got a letter from my love  
It said, "Eactly what I'm thinkin' of  
No words can say"  
Well darlin' I'll find a way  
You see your diamond ring  
I'm here to say it doesn't mean a thing  
Without your love,  
'N if that's all we really got  
Then take it off  
Tear it off  
Swear your love  
Say you don't need no diamond baby  
If some piece of paper's keepin'  
Us together I ain't buyin' it baby  
Swear your love  
All you really got after it's said and done  
Is what we tell each other  
When there's one on one  
Darlin' won't ya swear your love?  
I know a lady in Spokane  
She thought that happiness would find her when  
She caught a man  
Security second hand  
She got her diamond ring  
It's sad to say  
That was the only thing  
I guess she forgot  
You gotta believe enough  
To swear your love  
Swear your love  
Say you're with me forever baby  
No legal paper,  
Pressure from your friends'll ever keep us together  
Swear your love  
That's the only way to hold on babe  
Promise me you'll be my only lady  
Darlin' won't ya swear your love?  
This ain't no ticket out  
Is that what you think  
Our love is about?

Think twice before you call  
Girl, get it straight  
Or don't get it at all  
(SOLO)  
Swear your love  
Say you're with me forever baby  
No piece of paper's keepin'  
Us together I ain't buyin' it baby  
Swear your love  
Say you don't need no diamond baby  
No legal paper,  
Pressure from your friends'll ever keep us together  
Swear your love ( 8 times )
