I know we were born to be here again
In the kind of love that you die for
Somethin' in the innocent wind's
Been callin' out to me
Over 'n over
I would build a castle upon our dreams
or leave it all behind us in ashes
Just to feel your heart in my heart
A promise and a prayer
To lead 'n to follow
Voices that call
From an ancient dream
Remind me of a world I've never known
We are the bridge
We are the fire
'N I burn in a river of love
And now I can sing with all my heart
Oh I believe
All that I've seen in your eyes
An unimaginable life
Something in the way that you say hello
Even to the sound of your heart beat
All seems so familiar to me
My soul-memory of love
Leading me homeward
Voices that call from an ancient dream
The promise of a life I've never known
We are the bridge
We are the fire
And I burn in a river of love
I know I can sing
With all my heart
Here it begins
Freedom is in your eyes
An unimaginable life
We are the bridge
We are the fire
'N I burn in a river of love
And now I can sing with all my heart
'N I know I can sing
With all my heart
oh I believe

darlin' that we've arrived
An unimaginable life
Our unimaginable life
