I like the love
And I like the peaceful
I wish everyone I know could stand in the heartlight
I hold the hand
I walk with the teacher
We welcome in the morning, singing together

Can you feel the love thats in my heart
Can you see the flame we got to start
Burning like a beacon in the night
Oh welcome to heartlight

Oh ohh heart of light (3x)
Oh welcome to heartlight

Im like the rain
Cause I like your thunder
I know weve learned to live together here in the
heartlight
Stand in the dark
Oh and Ill light a candle
And then well dance it in the moonlight until the sunrise

Can you feel the love thats in my heart
Can you see the flame we got to start
Burning like a beacon in the night
Oh welcome to heartlight

Oh ohh heart of light (3x)
Oh welcome to heartlight

Solo 1

Can you feel the love thats in my heart
Can you see the flame we got to start
Burning like a beacon in the night
Oh welcome to heartlight

Oh ohh heart of light (3x)
Oh welcome to heartlight

Solo 2

Oh ohh heart of light

Oh welcome to heartlight
