(duet with Stevie Nicks)

Whenever I call you "Friend", I begin to think I  
understand  
Anywhere we are, you and I have always been, ever  
and ever

I see myself within your eyes, and that's all I need to  
show me why  
Everything I do always takes me home to you, ever and  
ever

'N now I know my life has given me more than  
memories, day by day, we can see  
In every moment there's a reason to carry on

Chorus:  
Sweet love's showin' us a heavenly light, never seen  
such a beautiful sight  
See love glowin' on us every night, I know forever we'll  
be doin' it

chorus... right

Whenever I call you "Friend", I believe I've come to  
understand  
Everywhere we are, you and I were meant to be,  
forever and ever

I think about the times to come, knowin' I will be the  
lucky one  
And ever our love will last, I always want to call you  
"Friend"

chorus

(Instrumental break)

An' now I know my life has given me more than  
memories, day by day  
We can see, in every moment there's a reason to carry

on

chorus repeats 2x - doin' it, doin' it

Sweet love (repeats out)...

(You're the glowin' light in my life, source of pride in  
my life)

(Everything I do takes me back to you, whenever I call  
you friend...)
