I'm back, I'm on ya
New black Madonna
You lack persona, you stacks up on a
Only do zeros when it's plus coma
Coma, coma, coma

The queen and his bitch
Hold my diamonds or you blow
Tell a game, call me team I'm loyal to
Tell 'em bring the bodies out,
Bring the rear bottoms out
Vointin' at them mad
I just pick an Allen now
Best believe I'm out here
Broke bitches hot now
No really I'm watching niggas fighting 'bout
Versace for the duffel,
Potting if a muffle
But I'm a bad bitch,
Diamond cuffs and muzzle
When all you hate and bitchy
It's always gonna struggle
I just do the loonies and
Then it coughing couple doubles

Motherfucker bitch hey
I'm getting too much money
When it gets cold I take my bitches where it's sunny

I got red lipstick on
6 inch pumps
I'm about to do it tonight
Sitting on the passenger's side
Let my best friend drive
We all on 'bout to get right
Tonight, tonight, tonight, tonight
We all on
'Bout to get right

I'm like ini mini miny moe
Which one of you all wanna get my bo
Better hit that Wole

Then hit that floor
My shit so pump gotta hit that slow
Slow, slow, slow
You get that, I get the dough
Dough, dough, dough
I'll get in and check that hoe
All these bitches scare you
But tell 'em that I said so
Beggin' for a yes but tell em that I said no
Saint Laurent on her lips
Gold Rolley on her wrist
The air's thick enough
For the whole wide world to kiss
Fuck two lips, I'll just switch to tulips
For my two lips
Imma show you how to do this

Motherfucker bitch hey
I'm getting too much money
When it gets cold I take my bitches where it's sunny

I got red lipstick on
6 inch pumps
I'm about to do it tonight
Sitting on the passenger's side
Let my best friend drive
We all on 'bout to get right
Tonight, tonight, tonight, tonight
We all on
'Bout to get right

I got red lipstick on
6 inch pumps
I'm about to do it tonight
Sitting on the passenger's side
Let my best friend drive
We all on 'bout to get right
Tonight, tonight, tonight, tonight
We all on
'Bout to get right
We all on
'Bout to get right
We all on
'Bout to get right
We all on
'Bout to get right
